

HRSA 2020

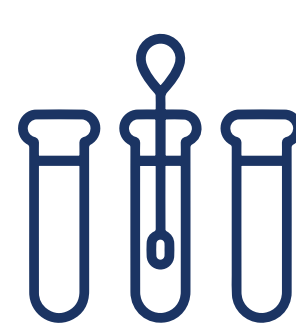

YEAR IN REVIEW

TENS OF MILLIONS of Americans receive quality, affordable health care and other services through HRSA's **90-PLUS PROGRAMS** and more than **3,000 GRANTEES**.

COVID-19 RESPONSE*

HRSA has awarded more than **\$2.5 BILLION** to grantees in its response to the COVID-19 epidemic, including:

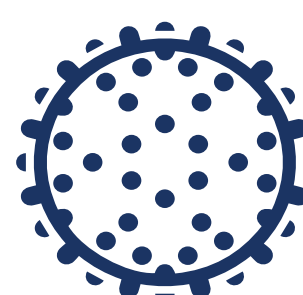

Expanding capacity to prevent, diagnose, and treat COVID-19

Increasing access to telehealth

Supporting telehealth services and training for health care providers

Provider Relief Fund (PRF) and Uninsured Program

Since April, HRSA has managed the distribution of **\$175 BILLION IN PROVIDER RELIEF** to support American families, workers, and health care providers in the COVID-19 outbreak.

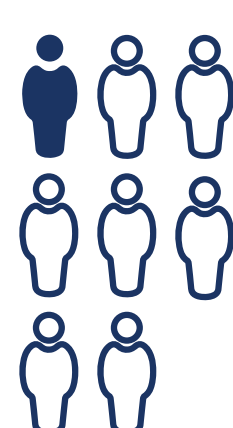

A portion of these funds reimburses providers for COVID-19 treatment and vaccine administration for individuals without health care coverage — with an additional **\$2 BILLION FOR TESTING**.

**Data as of December 21, 2020*
